

# YOUR WINNIPEG

A DOCU·FANTASIA  
FROM DIRECTOR  
.....?

Inspired by the release of MY WINNIPEG, Soda Pictures in conjunction with Four Docs, 3 Minute Wonder, The Branchage Film Festival & Destination Winnipeg will be launching the filmmaking competition 'Your Winnipeg'. Entrants are invited to submit a 3-minute documentary about their hometown being as experimental and creatively adventurous as they dare!

Guy Maddin will join a jury of industry professionals to select the winning entry, which will be screened on Channel 4 and included on the DVD release of MY WINNIPEG. The winner will also be rewarded with £1500 and a holiday to Canada, while 3 runners up will each be screened on Channel 4 and receive £1500. A selection of films will join the prize-winning entries and be shown at Branchage Film Festival late September.

**Full details will be available at [WWW.YOURWINNIPEG.CO.UK](http://WWW.YOURWINNIPEG.CO.UK) when it officially launches on July 1st.**

## **MY WINNIPEG | In Cinemas July 4**

Described as a docu-fantasia MY WINNIPEG sees Maddin continuing in the freewheeling, genre bending tradition that has made him one of Canada's most consistently intriguing and internationally respected artists. Maddin explores the spell of his hometown blending local myth with childhood trauma to create an extraordinary visual homage to the city of Winnipeg.
