

HOTDOCS UK DELEGATION

<http://www.hotdocs.ca/>

We recommend that Delegation Members arrive on Sunday May 2nd and stay until at least the evening of Thursday May 6th in order to take advantage of all Hot Docs has to offer.

A UK Delegation at Hot Docs would include the following components:

TDF and Festival Registration:

All members of our international delegations are given TDF Observer status. In order to guarantee this access to the TDF, all delegates must be registered by **March 16, 2010**. After that date, Observer status cannot be guaranteed. The rate for delegation members is \$550.00(+GST) CAD a 42% discount over the regular Observer Seat registration seat fee. Our registration team will help to personally coordinate your group registration process, offering all members of the UK delegation a discount on Hot Docs' registration fees. Delegation members would also have access to our one-on-one Rendezvous meetings with Broadcasters and Distributors from around the world.

International Co-Production Day (May 3):

A special day long event featuring a variety of panels including "Meet the Canadian Broadcasters" which will focus on how to co-produce with a Canadian broadcaster, "Meet the Delegations" which will give each International Delegation a chance to introduce themselves and present a short primer to co-production with their country. The day will also include many networking opportunities such as producer-to-producer meetings and a cocktail reception.

Featured Index for UK Producer's Projects in the digital Doc Shop market:

Each UK delegation producer would receive the opportunity to submit, on a 50% discounted basis, programmes into the Doc Shop, Hot Docs' on-demand digital video library for international buyers and programmers.

The deadline to submit films for inclusion in the Doc Shop is **March 19th**. Instructions on how to submit a film will be forwarded in subsequent

emails.

Discount hotels

Hot Docs will also arrange for discounted hotel rooms at host hotel venues for the delegation and, if requested, assist in arranging the hotel bookings.

Logos

Please send us logos for all the organizations involved with the delegation for use in our publications. We need these sent digitally no later than **March 15th**.

Summary of Deadline Dates:

March 15 – Deadline to receive sponsor logos.

March 16 – Deadline to register and receive full TDF Observer accreditation.

March 19 - Deadline for projects submitted to the Digital Doc Shop to be received in the Hot Docs' office

April 1 - Deadline for booking hotel rooms at festival rates
